

FREE RECYCLING EVENT

Saturday, July 18

9 a.m. - 1 p.m.

**@ Desert Rose Chiropractic
& Wellness Center in Sutro Square
655 U.S. 50 East, Dayton**

Businesses and residents are encouraged to recycle electronics; aluminum, glass, plastic, paper, cell phones, ink and toner cartridges... and more.

Blue Knights will be accepting glass, paper, aluminum cans and plastic to raise money to help the family of a local boy with brain cancer.

Hugs from Home will gather your old cell phones so they can turn them in for prepaid phone cards for area soldiers serving overseas.

Dayton Kiwanis will gather toner and ink cartridges for recycling as part of their annual fund-raising efforts for community outreach.

Nevada's Recycling Office will have a presence to provide information on how businesses and residents in the area can help our environment by living greener through recycling.

ComputerCorps will gather electronics including computers, monitors, printers, games, calculators, VCRs, DVD players, stereos, copiers and other electronic devices to keep their toxic waste out of our landfills while recycling some of the items for distribution to under-served families. No TVs or microwaves please.

***We are hoping to add a recycler for tires, oil and antifreeze.
Call 246-9336 for more information.***

This event is brought to you by the merchants of Sutro Square who believe in giving back to their community: Desert Rose Chiropractic & Wellness Center, Dayton Courier, RENUA and Makin' Coffee.
