

Writing/Speaking Assessment- Continued

Objectives:

You will review your RAFT paper with classmates.

You will present your RAFT paper to the class.

Standards:

E.12.C.4 Students know processes of obtaining, using, and recycling of renewable and nonrenewable sources. E/S

N.12.A Students understand that a variety of communication methods can be used to share scientific information.

**N.12.B.4 Students know scientific knowledge builds on previous information.
E/S**

Directions:

- 1. In your group, exchange papers and peer edit a new paper. You must make at least 2 suggestions to improve each paper. Initial each suggestion and do not make other marks on the paper. Do this until you have edited each group member's paper.**
- 2. Make individual revisions according to group suggestions.**
- 3. Present your paper to your group members. You must make at least 1 suggestion to improve the presentation of each group member.
REMEMBER- you are trying to help each other give the best presentation possible.**
- 4. You will present your paper to the class. See rubric.**
